Shattuck Stabilization

Comments before the concert:

"Many of the clients were not too excited to attend this group. Lots of clients have been feeling stressed and anxious. It is hard to keep the group engaged and calm."

"anxious and truly did not want to sit thru classical music being played"

"had a headache and was very tired"

"very relaxing. I loved it. I would love a copy"

Comments after the concert:

"I was so pleasantly surprised by the clients reactions. The group that usually aren't engaged were so captivated by the music. Many of the clients seemed to really appreciate and enjoy the music and story behind the music I could tell they were genuinely less anxious and moved by the concert. So amazing to see."

"amazing, relaxed and very happy. upset at myself for not wanting to listen before hand. it truly was a pleasure for them to play for me."

"energize and w/out headache"

"all my problems were gone and I could deal with them"

Audience members' favorite parts:

"A huge difference in how I felt. truly was a gift. thank you from the bottom of my heart!! Thank you"

"The vibration of the music cleansing my soul and stimulating my nerves."

"The way my mind and body relax when they play the instruments"

"I thought the music was beautiful. It definitely brightened my day. Thank you so much. What you guys are doing is great."

"Thank you 4 coming and playing 4 me, it reminds me of being on a peaceful loving god island. Please and god bless"

Caspar

Comments before the concert:

"un poco aburido y triste"

"Like a homeless piece of excrement."

"I was bored watching T.V."

February 2019

Comments after the concert:

“muy felix y contento”

“Relaxed, at peace with myself and lot in life.”

“I was amazed how good they play for all of us here at 240 Albany St and glad to hear them again”

Audience members' favorite parts:

“I wasn't loud or pretencious. It was chamber music, meant for a good listening.”

“Happy. Brings back memories of school. U R awesome. Continue to do what u do. Music is therapudic. Doctor recomended”

“The softness of the sound.”

“La musica y los instrumentos como el violin”

Dimock Women's

Comments before the concert:

“Like shit”

“Feeling not inspired”

“Tense, Uptight R/T my afternoon.”

“still sick, headache and stressed”

Comments after the concert:

“Amazing”

“Happy and relaxed”

“Relaxed, Relieved, Grateful, More educated about the Instruments and the History around the music.”

“less stressed, headaches gone, relaxed (still sick though :()”

Audience members' favorite parts:

“Everything!!! Enjoyed!!!”

“the comfort, the love, soothing and relaxing”

“Your insight and openess”

“I loved the native american flute!!!! so amazing of course the rest was good, but I love the kindness and interaction very therapeutic :)”

February 2019

Dimock Men's

Comments before the concert:

"Excited about attending the concert. Relieved the weekend has started."

"Disinterested"

"tired and drowsy"

Comments after the concert:

"Relaxed. Determined to research the NA Flute and the pieces of music played. I will also look into the composers."

"Impressed"

"motivated, game time"

Audience members' favorite parts:

"The talent of these wonderful ladies. Very Impressive, thank you for coming."

"The chemistry of the two musicians and the harmony from the instruments."

"I have never heard 2 different sounds come from the same instrument before (drone) flute"

"The new sounds!"

"Peaceful"

Bridge Over Troubled Waters

Comments before the concert:

"I was not excited about the concert but I'm glad I came because it made my day."

"Absolutely wonderful. It's great to see the young people so involved. I'm an expressive therapist and staff member and to see the youth be engaged is amazing."

"Depressed"

"I was not sure what to expect"

Comments after the concert:

"I felt relaxed, happy and encouraged to learn how to play an instrument."

"So much calmer! It really resets your mood :)"

"Calm"

"It was spectacular"

Audience members' favorite parts:

February 2019

"I loved the way you play the flute and the violin because I saw your faces full of happiness while you were playing."

"The Native flute reminded me of my father. He would be proud to know that someone who is not Native has such interest and can play so well, I'm happy about it too."

"sounded soothing. something I can meditate to or read to."

"The noise made me feel."

March 2019 Responses

PSI Women's

Comments before the concert:

"Music is inspirational and always picks me up and remember there is always a better tomorrow"

"In severe leg pain - very swollen, DVT's + osteomyelitis (wheelchair bound since '86) + catastrophic hip replacement failed - etc. etc."

"Really down and discouraged"

Comments after the concert:

"Music is amazing. It also universal in the way it draws all of our attention to it's glorious sounds. It always let you know your alive as it invades your senses."

"Transported, hopeful and inspired!!! 'the pain passes but the beauty endures'"

"Revived, restore, and rejuvenated"

Audience members' favorite parts:

"It was not just the concert. It was also educational because Rebecca gave us some useful information about each piece but all the 4 musicians were also very useful in giving us insight about the music"

"Exposure to music that's very popular, but hasn't had the opportunity to experience"

"the unity which you played"

"The fact that before every piece you've presented the composer and his brief history"

Shattuck Stabilization

Comments before the concert:

"I felt prity down and I was upset about some outside stuff"

March 2019

"A bit tired but was very looking forward to the music because I had seen shelter music before"

"Stressed and anxious"

"Sad, in a bad mood"

Comments after the concert:

"After the concert I felt renewed. It also help me get out of myself and my worries. It was a break in a long emotional day."

"Awesome! This is the best group we have. It truly is medicine for the soul."

"I loved every second of it"

"Relaxed, in much better mood"

Audience members' favorite parts:

"I enjoyed it all. The between music banter and the choice of music played"

"The sheer joy of well played live music - the complexity of sound, which translates emotionally"

"I love being taken on a journey without leaving the building! The history of the music is great too."

"Just how accommodating you were to commentary and your talented musically inclined genius"

"Learning about something new"

Caspar

Comments before the concert:

"I think/believe it was beautiful- well done"

"I was having not such a good day"

"so so"

Comments after the concert:

"Relaxed. Like I have been to Symphony Hall."

"My spirits were lifted"

"Happy"

"Music lifts the soul! One of my biggest inspirations in life is music. Everyday I work and wake up and just want to sleep...it is music that brings me from that trance into the trance of the real world. Play on!!! And inspire people. I hope my input helps and that you can read it."

"The history lesson... thank you. Learned something new today!!!"

"The passion that the musicians had."

"Everything"

PSI Shattuck

Comments before the concert:
